

# Business is Faster and Easier with Banque Misr

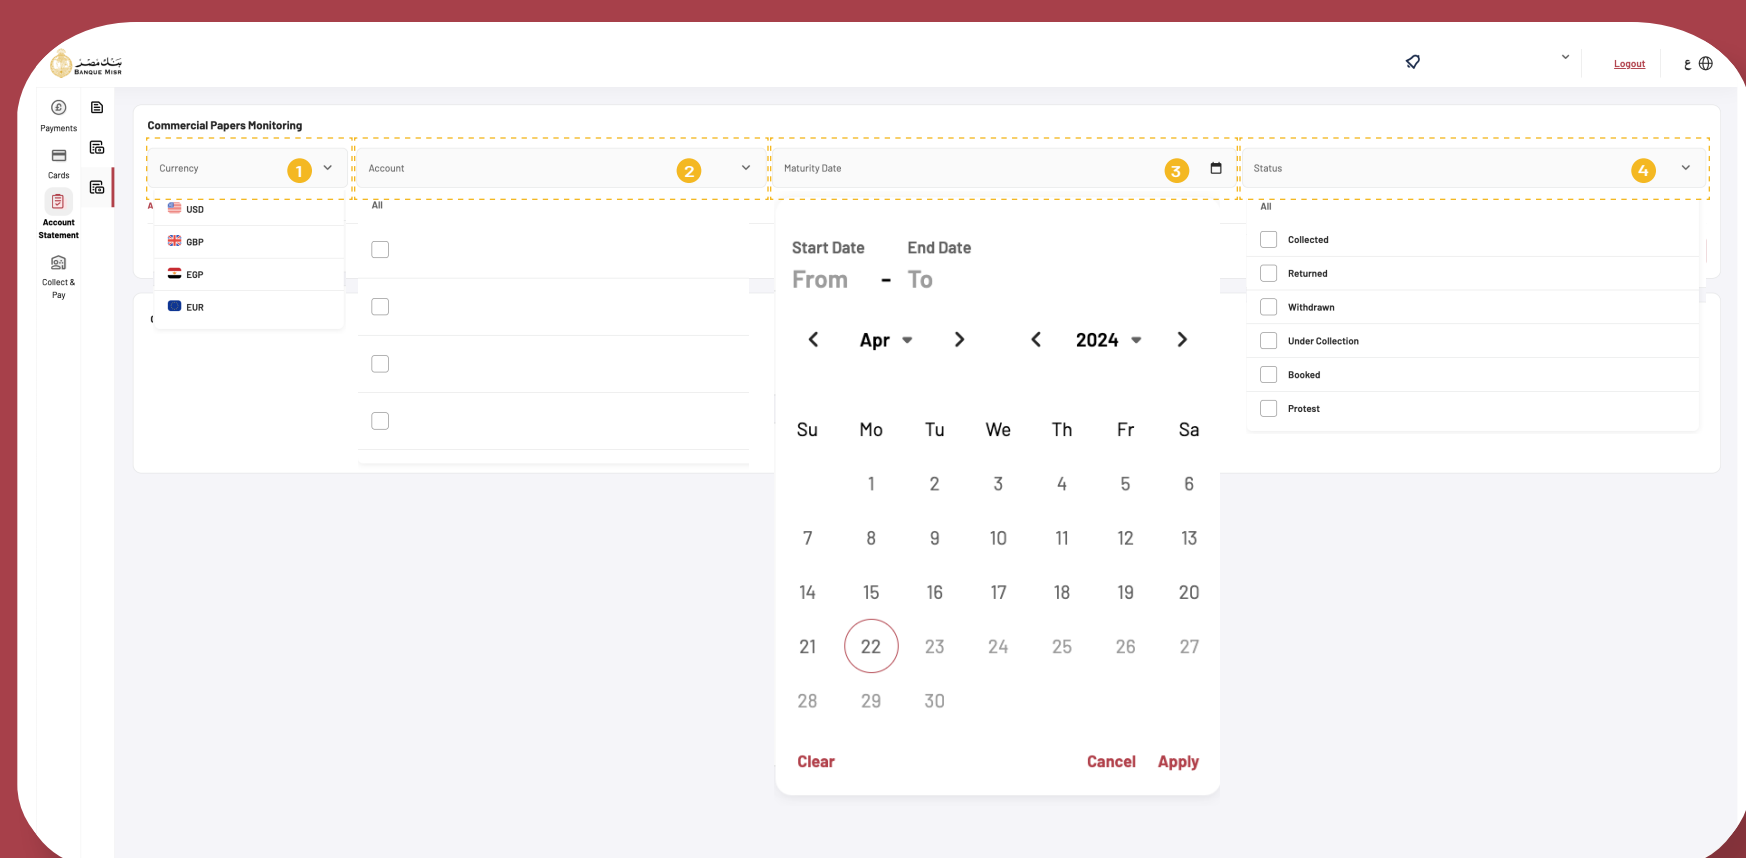

## For the first time in Egypt, Monitor your "Cheque Account Statement" online anytime anywhere with BM Online Business

## Cheque Monitoring Service

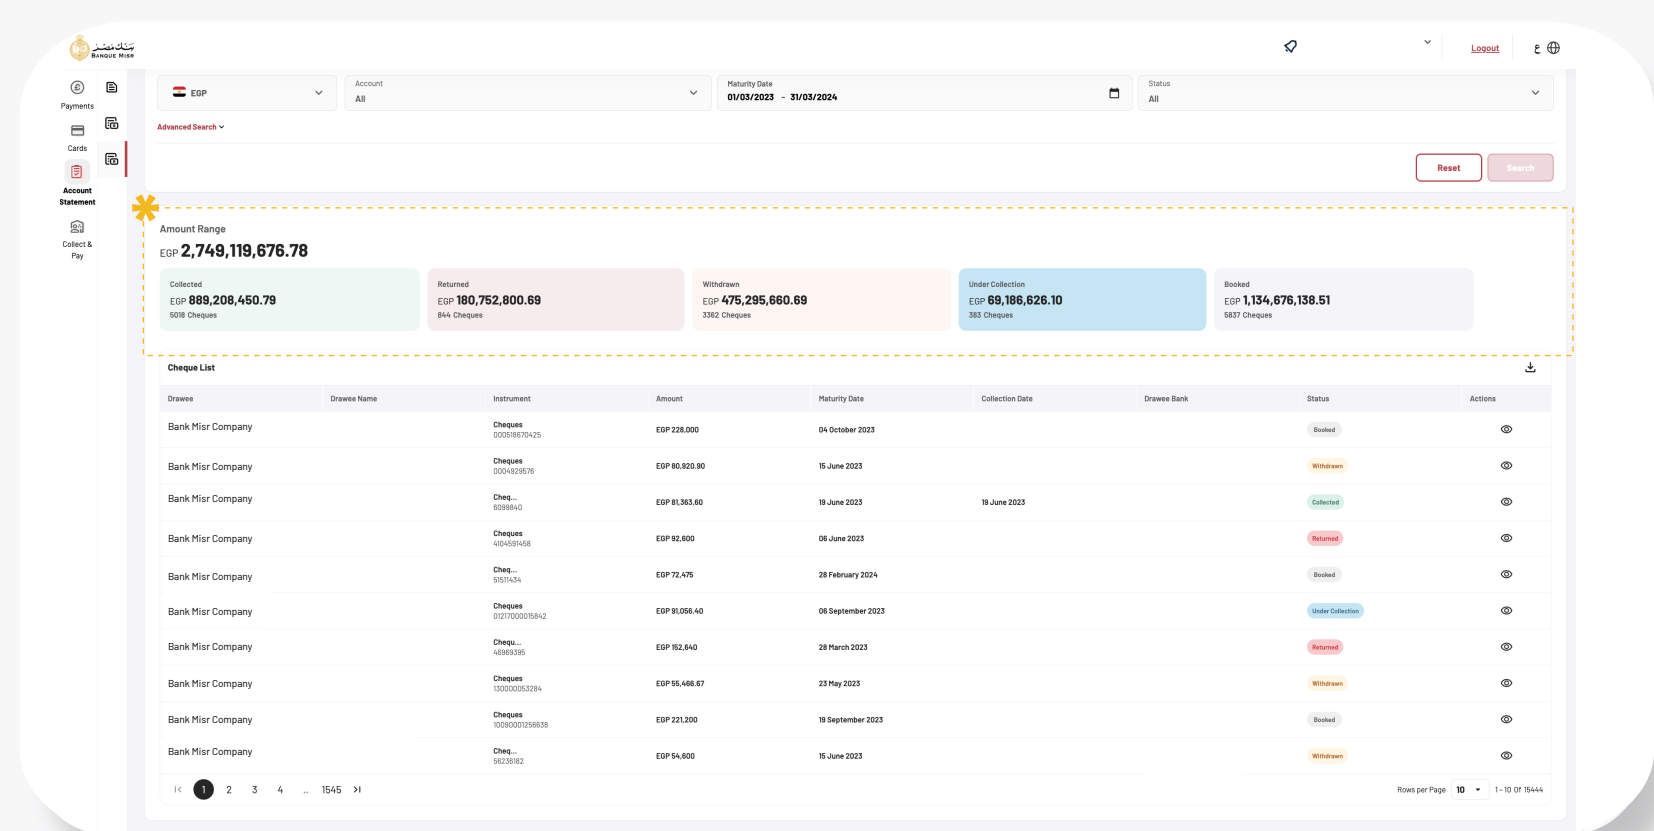

The Cheque Monitoring service allows your business to track the company's Cheques portfolio, on spot, easily keep all records of the company's Cheques transactions, and check the status of Cheques owed to the company any time, any place.

- You can access the Cheque account statement form the side menu "Account Statement"
- Follow up on Cheques using different search methods:
  - Determine the account currency
  - Specify the account to which the Cheque is to be collected
  - Select the Cheque due date
  - status of the Cheque

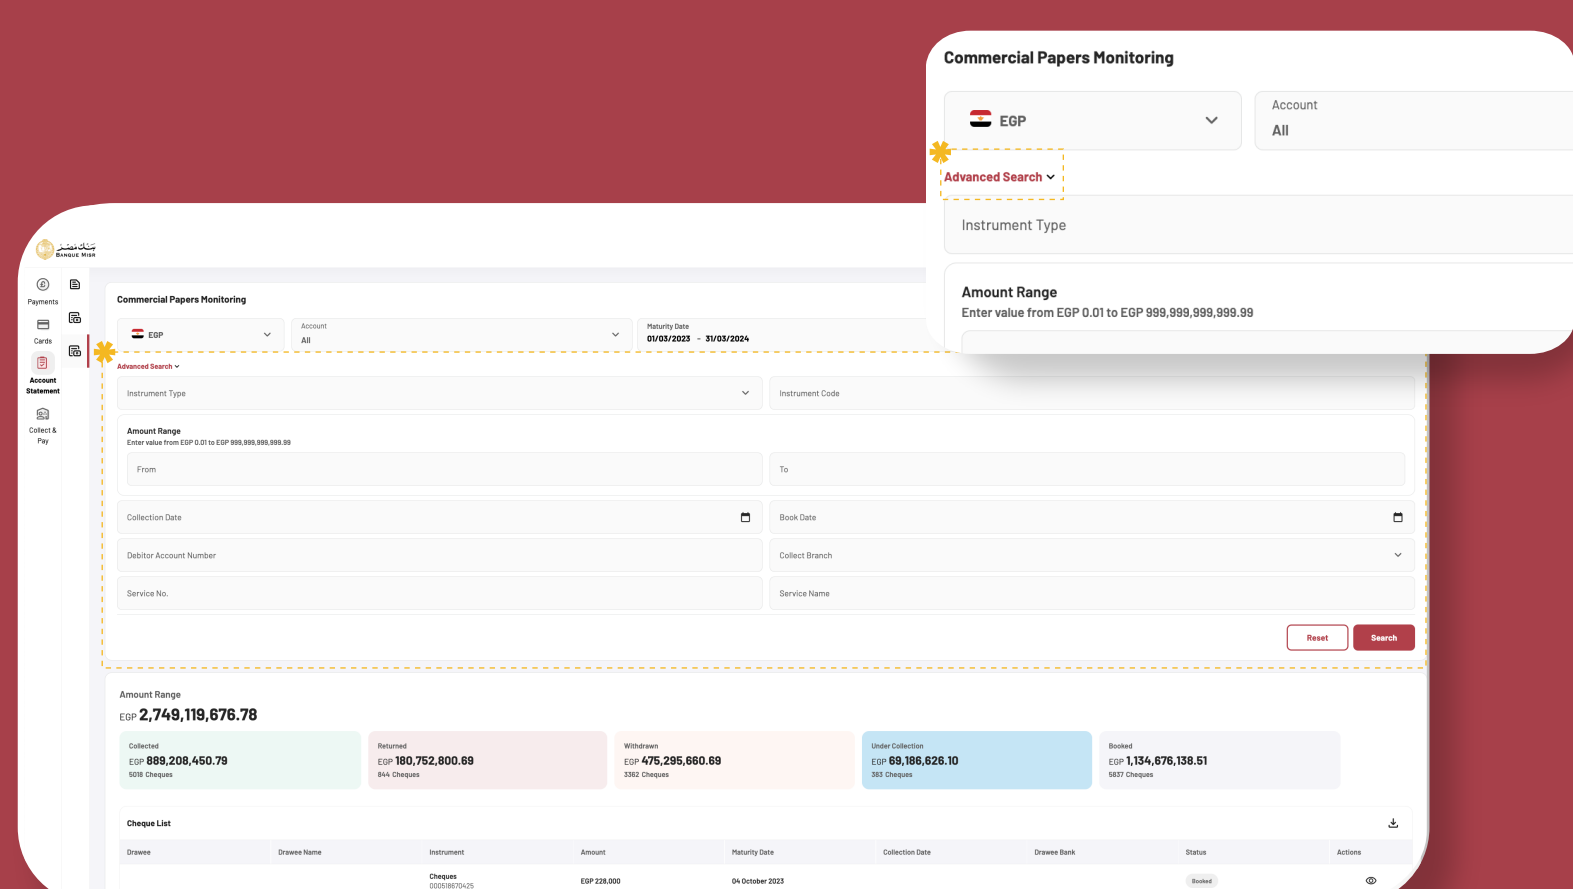

A list of all search results will appear on screen:

- Summary of Cheques' status with total value and number for each status
- Click to download the complete results in an Excel file
- Click to check all the details of the Cheques you have selected

- You can apply more advanced search criteria:
  - Instrument type
  - Commercial paper number
  - Cheque amount
  - Collection date
  - The debtor account number
  - Collection branch

### \* Please Note

The service will be temporarily suspended if there is not enough credit to renew the service.
